MATH	643	0	-3
READ	642	-5	-1

### On Campus Incidents 4

The school incident rate is reflective of the community which it serves. The neighborhood areas that feed into Powell have seen an increase in gang activity and crime rates over the past several years. The school is assigned a School Resource Officer who works with the two school security officers and administration. The School Resources Officer's presence on the campus decreases gang activity. The implementation of school uniforms has also proven to have a positive affect on school climate.
